

## TRAINING

# FEBRUARY 12, 2019

## 8:30 A.M-12:30 P.M

This FREE educational training is for healthcare professionals and providers who work directly with individuals living with a mental illness.

From this training, you will gain understanding, compassion, and empathy for individuals living with a mental illness and their daily struggles, understanding why your health care role is crucial, and how the medical care you provide has a huge impact on the individual's recovery and outcome.

**Trainers include:**  
a family member of someone with a mental illness, a person in recovery from a mental illness, and a mental health provider

**Location:**  
Pueblo Department of Public Health and Environment  
101 West 9th Street  
3rd Floor, Section C

**RSVP:**  
Lindsey Dunbar  
[dunbar@pueblocounty.us](mailto:dunbar@pueblocounty.us)  
or by calling  
719-583-4330  
by Monday, February 4th

**Space is limited, so reserve your spot today!**  
Light snacks, coffee, and water will be provided.
