

Proposed I-25/Eden/Dillon Drive Roadway Improvements

Public Meeting Announcement

Meeting Date and Time: September 23, 2009, 4:30 PM to 6:30 PM

**Meeting Location: Pueblo Convention Center, Fortino Grand Hall C-West
320 Central Main Street, Pueblo**

The City of Pueblo, the Colorado Department of Transportation, and the Federal Highway Administration cordially invite you to a second public meeting to discuss proposed roadway changes at I-25/Eden/Dillon Drive.

An Environmental Assessment is being prepared to address the question: *“What should be done to accommodate current and future traffic circulation and access to and from I-25 for residents and businesses near Dillon Drive and the Eden Interchange?”*

This meeting is to update you on the Environmental Assessment and the work that has been done since the first public meeting in December, 2008. It will give you an opportunity to comment on a proposed plan for changes at Dillon Drive and the Eden Interchange. You will be able to review the alternatives that have been investigated, see how they were evaluated, and ask questions about the alternative that is being advanced for further environmental analysis.

The public meeting will be an informal Open House which will allow you to ask questions and provide comments and suggestions directly to the project staff. You may also submit written comments at the meeting.

Displays will be available showing the alternatives, the proposed plan, potential landscape and aesthetic concepts, and a project timeline.

If you cannot attend the meeting on Wednesday, September 23, you are welcome to mail or e-mail your comments to:

Mr. Mickey Beyer, City of Pueblo, Assistant Public Works Director
