6. FY 2020-2023 Transportation Improvement Program*

Motion to Approve: Kevin Sparks

Second: Joe Garcia

Unanimous:

This was delayed because of the staff changes in CDOT. After the 10-year plan is finished, this will be updated next year. Shawn Winters brought up Exit 108. Wendy Pettit said that there has been conservation in the Rail Line Project, and it will bring multi-modal in that area. John Adams said there might be Regional Funds for that exit. The TIP has already been out for public comment. The only comments were made were changes for the Highway side of it and it has been advertised again.

7. Statewide Long-Range Transportation Plan (Presentation) Aaron Willis-CDOT HQ

Aaron Willis presented a PowerPoint for the Statewide Long-Range Transportation Plan. There were a few suggestions about the color of the symbols and request for additional information related to the maps.

If anyone would like the PDF, please email hhaunert@pueblo.us

8. CDOT Region 2 Updates (Informational)

9. Bike/Ped Plan (Update)
