   Unanimous

   The TIP had been updated with the comments that were made last month. The Capital Transit Projects added a 35-foot Transit Hybrid Bus. There was a Federal Grant for $512k and Local match for $128k with a total of $640k. This will be done in 2019. Section 53-10 fund got approval for 3 new para-transit buses (Citi-lift). Federal match was $156k and local was $39k for a total of $195k.

   Don Bruestle asked about the buses having a GPS and safety for drivers. Pepper Whittlef said that they are currently installing them and looking into safety for the drivers.

   Bart Mikitowicz mapped out the TIP and is currently looking on Facebook for outreach. There is an advertisement directed towards people that would be interested. There is much less feedback and responses. There was also an advertisement in the newspaper. Kristen Castor said to try Pueblo West Library.

   Bart Mikitowicz mapped the future Capital Improvement Plan (CIP) projects and the TIP to show their location.
Bustang is handicap accessible.

The draft has gone out for public comment and will go to PACOG (Pueblo Area Council of Governments) Board on the 26th of April to be submitted to CDOT’s State Improvement Plan (STIP).

5. **CDOT Region 2 Updates (Informational Updates)**
