Welcome to Respite Relief

The Pueblo Department of Public Health and Environment has partnered with the Colorado State University Pueblo (CSUP), YMCA, and Pueblo Community College (PCC) to bring a respite care service to the Pueblo community. Respite care will be offered to the caregivers of children with special needs, ages 2 through 21. This service is offered once a month for four hours. It is located at the YMCA. There will be a fee of $25.00 per child. The program will be staffed by nursing students through CSUP and OTA students from PCC. Your child will be cared for individually by a student as well as participate in group activities. A nurse will be present for each session as well as a student instructor and program coordinator. In order for your child to participate in the program you will need to complete the enclosed packet in its entirety. This information will be shared with the student caring for your child so they can prepare activities that will be appropriate for your child. It is exciting to be able to offer this service and provide you with well deserved “Respite Relief”!
