LAND USE TO BE SERVED BY THE ACCESS (circle one)

Residential Commercial Industrial Agricultural

An approved drainage plan and/or storm water management plan may be required. No access permit will be granted until that determination has been made.

Construction of the access, if permitted, must comply with Article 7 - "Roadway Access" of the Pueblo County Roadway Design and Construction Standards. A copy of said Article 7 and applicable standard details may be obtained at all times at the offices of the Pueblo County Department of Public Works, and/or may be viewed on the Pueblo County website <http://county.pueblo.org/>. By signing this application, the applicant acknowledges receipt of a copy of Article 7 and related standard details, and that he/she will comply with the requirements listed therein. This application shall be valid for one year from the date shown above. If the access is not complete within one year, the application will become null and void. Within 5 working days of the above date, the Public Works Department will conduct a field inspection of the proposed access site and advise the applicant in writing of the specific requirements that will apply to this site.
