Recovery Solutions Drop-In Center is a Peer Specialist-ran facility that promotes wellness and recovery to individuals 18 years of age or older with mental health and/or substance use conditions. Recovery Solutions is a non-clinical and safe environment that offers a wide range of support services promoted by empathetic and trained Peer Specialists working to empower and advocate for the client. Peer Specialist's aim to encourage, motivate, guide, and inspire client's to reach their treatment plan goals. Recovery Solutions Peer Specialists are enhancing the integrated care at Health Solutions by partnering with providers to connect clients into a recovery community and wellness culture. Individuals at Recovery Solutions are not assigned a caseload; therefore, individuals who utilize Recovery Solutions can expect to work with different Peer Specialists each time they utilize the center. Individuals that utilize Recovery Solutions do not have to be a client of Health Solutions.

The **Recovery Solutions Peer Support Specialist**, provides the following services:

- Support clients by offering them information and hope;
- Reassure clients through active listening and consultation;
- Locate resources and make referrals to community partners;
- Assist clients in outpatient enrollment and engagement;
- Facilitate community reintegration outings;
- Facilitate a wide range of groups based on the needs of members offered throughout the day. Visit Recovery Solutions website for the Drop-In Center Groups Schedule;
- Provide assistance to members utilizing the Computer Room. Computers with free internet access are available for use throughout the day.
