To vote for a named candidate, completely fill in the oval to the left of your choice. Use blue or black ink.

To vote for an eligible write-in candidate, completely fill in the oval to the left of the write-in line, and print the name of the candidate on the line. If a race does not contain a write-in line, you cannot vote for a write-in candidate.

To make a correction in a race with more than one candidate, draw a bold line through the oval and candidate name marked by mistake, then fill in the oval next to the correct name. If you voted for the only candidate in a race and want to withdraw that vote, you must request a replacement ballot.

WARNING: Any person who, by use of force or other means, unduly influences an eligible elector to vote in any particular manner or to refrain from voting, or who falsely makes, alters, forges or counterfeits any mail ballot before or after it has been cast, or who destroys, defaces, mutilates, or tampers with a ballot is subject, upon conviction, to imprisonment, or to a fine, or both.
