Ballot Measures

Ballot measures referred to the general assembly or a political subdivision are listed by letter, and ballot questions initiated by the people are listed numerically. A ballot question listed as an "amendment" proposes a change to the Colorado constitution, and a ballot question listed as a "proposal" proposes a change to the Colorado Revised Statutes. A "yes" vote on any ballot question is a vote in favor of changing current law or existing circumstances, and a "no" vote on any ballot question is a vote against changing current law or existing circumstances.
