

WELCOME TO RESPITE RELIEF

The Pueblo Department of Public Health and Environment has partnered with the Young Men's Christian Association (YMCA) and Colorado State University Pueblo (CSUP) to bring respite care service to the Pueblo community.

Respite care is offered to the caregivers of children with special needs, ages 2 through 21 years. It is located at the YMCA. The program is staffed by nursing students through CSUP. Your child will be cared for individually by a student and also participate in group activities. A nurse, a student instructor, and a program coordinator will be present for each session.

In order for your child to participate in the program, you will need to complete the attached packet in its entirety. This information will be shared with the student caring for your child so they can prepare activities that will be appropriate for your child. It is exciting to be able to offer this service and provide you with well deserved "Respite Relief"!

When: CSUP nursing staff will contact you once the Respite Packet is completed and turned in to schedule the respite.

Where: YMCA, 3200 E. Spaulding Avenue, Pueblo*

Time: 3:30 – 7:30 p.m.

*Due to the different dietary needs of each child, we are asking that you provide your child with a prepared meal, drink, and a snack. A microwave is available to accommodate a hot meal.

Return completed packet by mail to:

The Pueblo Department of Public Health and Environment Attention: Fudge Gonzales 101 W. 9th Street Pueblo, CO 81003

Return completed packet in person at:

Pueblo Department of Public Health and Environment Clinic Reception, 2nd Floor 101 W. 9th Street Pueblo, CO 81003

Please Note: Incomplete application packets will not be considered for respite care. A completed respite packet does not guarantee enrollment/acceptance to the Respite Program. Applications will be reviewed to ensure a safe environment can be provided.
