CITIZENS TRANSPARENCY REPORT FOR STREETS AND ROADS SALES TAX 2023

The Pueblo West Road Sales Tax Oversight Committee was created from Ballot Issue 6C as an independent oversight committee composed of district residents to ensure accountability and annually review and report to the public on the use of the revenues collected. Members were nominated by the Pueblo County Commissioners and the Pueblo West Metro Board. The 2023 committee consisted of five members: Rick Clark, Jimmy Cruz, Ernest Mascarenas, Judy Leonard and Sherry Reed. Sherry Reed was replaced in 2024 with Kent Shelman.

Public Meetings are held quarterly, open to the public, and posted on Pueblo County and Pueblo West websites for information. Reports from Pueblo County Public Works and Pueblo West Metro Finance show how much sales tax was collected and used for the work accomplished.
